

PSR Fixed Price Service Plans

**Compliance.
Uptime.
Safety.
Financial Return.**

Keep your powered access platforms safe, compliant and performing at their best with PSR Fixed Price Service Plans.

- Predictable service costs
- Nationwide engineer support
- No hidden extras
- Full LOLER compliance

A simple, cost-effective way to keep your machines safe, compliant and maintain their value.

With expert servicing, fixed pricing and proactive maintenance, we minimise downtime and help you get the most from your equipment.

All inspections are carried out to meet your legal obligations under LOLER (1998) and PUWER (1998).

Our manufacturer-trained engineers perform:

- Bi-annual LOLER examinations of Mobile Elevating Work Platforms (MEWPs)
- Detailed PUWER inspections of material lifts

These checks ensure your equipment is safe, compliant and ready for continued use.

During every inspection, PSR will:

- Record and document the condition of your equipment
- Advise immediately if remedial work is required
- Provide same-day repair estimates
- Supply all certification and documentation electronically for easy record-keeping

More Than Just Servicing

With a PSR service plan, your equipment is professionally maintained throughout the year, helping reduce unexpected breakdowns, extend machine life and keep it operating safely and efficiently on site.

Servicing with PSR also helps protect the long-term value of your equipment, giving confidence that it has been maintained to the correct standards when it comes time to trade in or upgrade.

The PSR Advantage

Why Businesses Choose PSR?

Choosing PSR means working with a trusted partner dedicated to keeping your powered access equipment **safe, compliant and reliable**.

With decades of experience and nationwide support, PSR provides professional servicing you can depend on.
